

Are you 16 or 17yrs old?

Quick Fact Check

Concorde International welcomes students on Adult Courses from the age of 16 years. While the courses are more appropriate for your age range, in the UK, students are not legally adults until they reach the age of 18 years. This means that there are some things that we have to do to look after you and things that you cannot do because you are too young.

Travelling to the UK:

- Keep in your hand luggage: Passenger Locator Form, PCR test result, Confirmation of Studies/Accommodation
- Concorde Emergency phone number **07957 449956**
- Meet your pre-booked Concorde transfer

At your homestay/accommodation:

Students aged 16 and 17 need to stay either with their own relatives aged 18+ or in our Homestay accommodation. This is a legal requirement.

We have hosts that will look after you while giving you space to study and develop.

Homestay hosts provide full board catering (breakfast, lunch and dinner) and will expect you to follow certain rules in the home.

You will have a curfew time of 9pm each day unless agreed with your parents / guardians in advance.

- Please respect the new Covid rules for your own comfort and others' protection
- Please read the Welcome notes – with details of your first week at home and at School
- Please ask your homestay or Concorde staff if you don't understand anything – we are here to help you!

At School:

- Please sign in daily on arrival/exiting the School building,
- Please tell your teacher where you will go during breaktime/after classes
- Please respect the Covid rules and *remember* > **Hands! Face! Space!**

Attendance

You are required to attend school each day. On arrival at school please sign in at reception. If you leave the building at breaktime and lunchtime you need to tell us where you are going (for example, "I am going to the café")

Alcohol

It is illegal for anyone under the age of 18 to buy or drink alcohol. It is also illegal for an adult to buy alcohol for people under 18 years old. Students found with alcohol will be disciplined and may be sent home at their parent's expense.

Smoking

The school is a no-smoking site. It is illegal for students under the age of 18 to buy cigarettes and it is illegal for an adult to buy cigarettes for them. Do not smoke while on activities or excursions.

Money

If you do not have a bank account or bank card then we can help you access cash for everyday spending.

Parents / guardians can send money to us via bank transfer and we can then give you cash on a regular basis at the school.

At all times please keep your Concorde student ID card with you (Concorde emergency number/homestay address & telephone number)
