Language Skills	Using an inspirational e-course book appropriate for different language levels and age ranges, with supplementary e-materials, students will improve their speaking skills, listening skills, vocabulary resources and communicative grammar.
Finale Song - pronunciation activity	Pronunciation activities to improve and practise articulation; syllable and sentence stress, rhythm etc using specific selection of songs.
British Culture	Using a variety of communication activities tasks, multi-media and in-house materials, students learn about different aspects of British Culture and compare with other world cultures.
Flip Class Project	Students work in pairs or small groups on a chosen cultural topic ie food, castles, sports, traditions... They will develop their life skills ie action research, presentation skills, and learn to brain storm and collaborate with others. Students will be assessed on their projects at the end of the course and receive feedback as an exit assessment.
