## Accommodation

On a scale of 1 to 10 how do you rate your accommodation?

1 2 3 4 5 6 7 8 9 **10**

What did your students think of the accommodation?

They feel comfortable mostly but because of the cultural gap of the heating system in the U.K., students should learn the british heating system in advance.

Do you have any suggestions for us?

I stayed at "Justin's house" (in Rochester) and she treated me so kindly with all her affection. She made fabulous and fantastic dinner, always! And she kindly asked my ~~favorite~~ <sup>food</sup> preference and made the perfect dinner, breakfast and even a lunch box. She washed my clothes with a sweet-smelling fabric conditioner, cleaned the room with a herbal perfume, changed my blankets and pillow cover, and bed cover with a herbal scent. I cannot speak everything about the best things she has done

→ to me, but she was the best host and I don't want to forget all her careful thinking and treatments... From her, I learned how british people can be so generous, kind, and lovable.. I really appreciate that I can live in her house which was very modern, well-organized, sweet-smelling and breathtaking.. If there is some kind of reward or any benefit of the best homestay host, I would really like to recommend her... It was a real honor to stay in her house and please deliver this message to her.. (I'll be really appreciated then.. ^^)

I want to show my gratitude to her ♡
